Civil charges, fines are in store for young smokers and chewers

By ALISON ALOISIO

Smokin' in the boys' (or girls') room may be a time-honored tradition, but after Sept. 29, it will not only be against school policy, it will also be against Maine law.

And persistent puffers could find themselves facing stiff fines if they are flushed out.

The new law technically takes effect September 29, and makes it illegal for anyone under 18 to smoke, chew, or even possess tobacco products. Juveniles caught with tobacco will be subject to fines ranging from \$100-\$300 for a first offense to \$500 for a third offense. Currently, there is no law prohibiting possession.

The law is intended to reduce teen smoking. But some Telstar students doubt if it will have much effect.

Julie (last name withheld by request), a freshman smoker, doesn't think the law will do much to deter

kids from lighting up, even in public.

"I think kids will ignore it. If they see a cop coming they will hide the cigarette. The cop won't see it when he's driving by," she said.

Junior Rachel Fogg disagrees. "I think the law is a good idea. I think it will cut down some on kids smoking in public," she said.

Store owner reaction

Preb's Pharmacy owner Dave Preble thinks a stronger law for juveniles is only fair, since tobacco sales by stores to the under-18 crowd currently carries a fine of \$500. He said his employees ask for ID's if there is any question of a cigarette customer's age.

"You see kids smoking on the street all the time. There's strict enforcement on one side, but not the other," he said.

Refuge dedication Saturday

BALD EAGLE CHICKS in the Lake Umbagog National Wildlife Refuge. The chick on the right is from the nesting pair of eagles, his nestmate is a foster chick. (Photo by Michael Amaral, U.S. Fish and Wildlife Service)

All are invited to ceremony for Lake Umbagog wildlife refuge

Lake Umbagog National Wildlife Refuge will be dedicated Saturday, Sept. 23, with a ceremony and celebration at the former Potter Farm/Kronk Farm in Errol, N.H.

The refuge, which lies in Oxford County and Coos County, N.H., protects important wildlife and wetlands habitat, including New Hampshire's only active bald eagle nest.

The dedication date coincides with fall foliage, the autumn bird migration, and National Hunting and Fishing Day, an annual event established by presidential proclamation in 1979.

"We're welcoming this opportunity to recognize those who have helped make the dream of a refuge at Lake Umbagog a reality," said refuge manager Steve Breese, "and to celebrate protection of this valuable wildlife habitat for the people of the United States."

The lake has long been recognized for its important wildlife values. Freshwater marshes and forested wetlands around Lake Umbagog support an abundance of ducks, geese, fish and mammals. Several northern bird species considered rare in New Hampshire depend on the habitat around the lake. Ospreys, loons, bald eagles and a whole host of small songbirds, including 24 species of warblers, live around the lake.

Saturday's 11 a.m. formal ceremony will feature Ronald E. Lamberton, regional director for the U.S. Fish and Wildlife Service's Northeast Region, and representatives of several state and local organiza-

tions that have played an important role in the formation of the refuge.

The ceremony will be followed by a light lunch. Guided boat tours will be available, and individuals may also bring their own canoes.

Lake Umbagog NWR was established in 1992 with the 122-acre purchase of the lakefront Kronk Farm. From this modest beginning, the refuge now protects more than 4,000 acres of wildlife habitat after several land purchases, including two in June: 1,545 acres from James River Timber Corporation and 2,058 acres from Boise Cascade Corporation through Oxford Paper Company.

"These companies, in particular, have recognized the extraordinary habitat values of the Lake Umbagog area," said Breese.

The companies "close to work cooperatively with us to protect a large portion of northern forest in recognition of those values," Breese said.

In the future, the service may purchase additional acreage, accept donations and negotiate conservation easements with interested landowners in the area, as well as cooperate with state, local and private groups to protect and manage Lake Umbagog's wildlife habitat.

To reach the dedication site from Bethel, take Route 26 to Upton. Continue across the New Hampshire border, to where the southern end of the lake almost touches the road. Take the first right (look for signs and/or a person directing traffic).

Snowmobile rentals and sauna on the way

By MICHAEL DANIELS and ALISON ALOISIO

Snowmobile rentals and a sauna are slated to be added to the list of Bethel amenities for the coming winter season.

The Planning Board last week gave conditional approval to Rocky Freda of Sun Valley Sports to establish a snowmobile rental business on the Sunday River Road.

The company's initial plans call for setting up a seasonal trailer and renting out a dozen snowmobiles.

Freda said snowmobilers will be escorted across the Sunday River Road, which frequently has heavy traffic flow during the winter. Once across the road, snowmobilers will be free to explore the local trail system.

Freda told the board he also planned to offer guided snowmobile tours.

On-site fuel storage would be in a 300-gallon, above-ground tank surrounded by a dike. Because the area is in the floodplain, the dike and storage plan have a floodplain permit.

The board approved the plan with three conditions: that snowmobile-crossing signs be put up at roadside, that snowmobilers be escorted across the road (both when setting out and returning), and that the floodplain permit be approved by the town code enforcement officer.

Sauna

The board last week also approved, again with conditions, plans for a sauna business on the former Janice Godwin property in Mayville.

Art Cyr of Sauna Way told the board he planned to tear down the current house on the site and to construct an eight-unit, 2,900 square-foot building.

The building would be set on a slab and constructed of concrete blocks with a wooden facade in the front. The business would share a driveway with the restaurant planned for next door.

Gary Brearly of the Briar Lea B&B, which abuts the other side of the planned sauna, expressed concern about the appearance of uncovered concrete blocks that will face his business. He asked if they could be screened with shrubbery or a fence.

In granting conditional approval to the project, the board stipulated that Cyr present a letter of agreement with Brearly regarding the screening.

The board also required that the building be set one foot above the floodplain elevation, and right of way (for a drainage line) be documented across a small piece of town-owned property in the rear of the lot.

Although not a condition of approval, See SAUNA, page 2

Speck work postponed

Repair work on the Old Speck Mountain fire tower has been postponed until the long weekend of Oct. 20-22.

Difficulties in coordinating the many volunteers for this weekend led to the postponement, according to Andy Haskell, manager of Grafton Notch State Park.

But the new dates will be a definite "go," he said -- if the late October weather cooperates.

THE GREENWOOD ROAD was the site of blasting last week as crews worked on a project to straighten a sharp curve, and to widen and move the road away from South Pond. Here, Clyde Galarneau of Ryan Rock Co. drills a blasting hole in a large boulder along the 500-foot stretch. (Photo by Alison Aloisio)

Briefly

New deputy town clerk in Newry

NEWRY--Beth Bean has replaced Susan Bowie as deputy town clerk. Bean assumed her duties last week. Selectman Steve Wight said Bean has extensive office experience. She has worked for an insurance company in Portland as an agent and processor.

Andover getting bad checks

ANDOVER--Selectmen last week approved a \$25 charge on all returned checks. Treasurer Shirley Gammon said the town has received a large number of bad checks. Gammon also told selectmen she opposed the issuance of building permits to residents with unpaid taxes. Selectmen took her comments under advisement. In other business, selectmen voted to return to weekly meetings, after briefly trying a bimonthly schedule. They also approved a winter skating rink behind the fire station. Tax bills were scheduled to go out early this week, with school taxes accounting for 63 percent of the assessment.

Post Office joins child search

PORTLAND--The U.S. Postal Service's District of Maine is joining the Maine State Police in a program to help locate missing or abducted children. The program, called Eagle Eye Child Net, combines the resources of the State Police with the network of 450 post offices and over 4,000 postal employees in rapid dissemination of information. "Our carriers visit every household, business, street and road in the entire state six days a week, fifty-two weeks a year. Who better to be on the lookout for missing children?" said district manager Barbara Patterson. Under the program, posters and photos of missing or abducted children will be sent from the state police to the USPS district office in Portland and from there they will be copied, FAXed, and distributed to every post office in the state within 24 hours.

Forest service seeks seniors

GORHAM, N.H.--The U.S. Forest Service is looking for people who are interested in and qualified to work under the Senior Community Service Employment Program. The federally funded program provides part-time employment to low-income people ages 55 and older. The training program provides a supplemental income while developing the enrollee's skills for possible future employment with the government or private sector. The positions will be located in either Bethel or in Gorham, N.H. Enrollees will receive any necessary training and they will work an average of 24 hours per week (up to a maximum of 1,300 hours per year) and receive minimum wage, \$4.25 per hour. Some positions will require the enrollee to work weekends. Positions may include visitor information services, file clerk/information management, and developed recreation maintenance. For more information contact Marianne Bradley at 603-466-2713.

Mental health services planned

AUGUSTA--A state-organized team is gathering information to help in planning local mental health services. At the request of the Department of Mental Health and Mental Retardation, the team has been holding meetings throughout Androscoggin, Franklin, and Oxford Counties. Information compiled will be used in developing a Local Service Authority, designed to plan and manage mental health services, as well as ensure that comprehensive services exist locally. The LSA is a new system which will consist of, and be governed by, a majority of consumers, family members, and parents with children under 18 who have emotional, behavioral, or mental health needs. The final meetings are scheduled for 6:30 to 8:30 p.m. at Jay High School (Sept. 19) and Oxford Hills Jr. High School (Sept. 26). All LSA's in Maine will begin prior to July 1, 1996.

Sunday a.m. liquor sales start Oct. 1

AUGUSTA--Sunday morning sales of alcohol will be allowed beginning October 1, according to the Maine Bureau of Liquor Enforcement. The current law prohibits Sunday sales before noon. The change applies to both retail and on-premise sales. The new law does not change local community options, which might prohibit Sunday sales entirely. Liquor licensees should check with their local municipalities if they have questions about local liquor sales options.

S-K-I earns less

WEST LEBANON, N.H.--S-K-I Ltd., owner of Sugarloaf/USA, Killington, and Waterville Valley ski resorts, has announced a drop in earnings for the last fiscal year. Net income for the fiscal year ending July 31 was \$1,029,397, compared to \$4,646,488 in the previous year. Revenues increased due to the purchase of Sugarloaf and Waterville Valley earlier in the last fiscal year. Preston Smith, CEO, said the low business levels were due to skier perceptions that the winter's warm temperatures would mean less than desirable skiing conditions. The Northeast experienced a near-record decline of 16 percent in skier visits for the past ski season. Last February S-K-I announced several parties had expressed an interest in a potential purchase of, or merger with, S-K-I. Smith said there had not been any viable propositions, but the company would continue to evaluate possible partnerships, joint ventures, or acquisition of new companies. He said the effects of the past winter would likely accelerate the industry's consolidation.

Loaf freezes some water

CARRABASSETT VALLEY--Sugarloaf/USA has claimed a record for the earliest manmade snow in the East. The resort turned on its snow guns early Saturday after the temperature dropped to just below freezing. The high-pressure snow system left a fine film of snow on the ground. Sugarloaf said it beat by five days the previous mark of Sept. 21, set by Vermont's Killington resort. The ground wasn't cold enough to hold the snow and permit skiing.

The Re-Elming of Route 1

HARRISVILLE, N.H.--Fraser Paper Ltd. of Madawaska, Maine, has signed on as the first corporate sponsor in the Re-Elming of Route 1. The campaign by the Elm Research Institute seeks to restore elm trees along U.S. 1 in towns from Maine to Florida. In many towns and cities along the nation's first East Coast highway, the American elm was the premiere street tree until Dutch elm disease struck. Since 1984 the Elm Research Institute has promoted nationwide elm restoration through plantings of its disease-resistant American Liberty elm, a purebred descendant of the American elm. The Re-Elming of Route 1 is beginning in Maine and working its way southward. Each participating town will plant 11 five-to-six-foot elms along Route 1. The elm can be grown in all of Route 1's territory, with the exception of south Florida. All the participating towns will celebrate the restoration on Memorial Day, 1996.

Boating safety grants offered

ALEXANDRIA, Va.--The BOAT/US Foundation is offering Boating Safety grants of up to \$5,000 to non-profit, volunteer organizations for boating safety projects across the U.S. The deadline for application is November 1, and grants will be awarded in January, 1996. Innovative projects funded in past years include a free life jacket loaner program for children, signs encouraging boaters to take a safe boating course, and a boating safety fair. For more information call 703-823-9550, ext. 3016.

Crop insurance dates earlier

PARIS--Sales closing and acreage reporting dates for crop insurance are much earlier than last year for fall planted crops and certain perennials. Reporting dates in Oxford County are Sept. 30 for nursery and Nov. 20 for apples. In most cases, crops insured last year are automatically insured this year. Anyone planning to grow insurable crops not planted last year is advised to purchase at least the catastrophic level of insurance to be eligible for many USDA farm programs and loans. Changing an insurance provider or contract must be done by the appropriate sales closing date. Additional coverage can only be purchased through a crop insurance agent. An agent directory is available at the Oxford County Farm Insurance Agency, 1 Main St., South Paris.

From the Bethel Police log:

Horse leaves 'em standing at the altar

On Sept. 16 at 10:56 a.m. a caller reported a horse running loose on Main Street. While a police officer was searching for the animal, the officer was advised the horse was on Mason Street. When the officer arrived the horse's owner had apprehended it. The animal had apparently slipped its tie-up near the Moses Mason House, where it was being used in a wedding ceremony.

Thursday, Sept. 14

At 5:45 p.m. a Route 5 resident reported her ex-husband had called and said he was coming to take her child from her. The complainant provided police with a copy of a Massachusetts probate court order stating she had legal custody. The complainant is in the process of getting a court order in Maine. Police advised her to call if her ex-husband does come to Maine.

Friday, Sept. 15

At 2:15 a.m. the Oxford County Sheriff's Office requested police to stand by at the intersection of Grover Hill and Flat roads to watch for several subjects coming from the falls approximately one mile into Mason Township. A deputy arrived and police assisted him with checking the subjects, who were reported to be parked and drinking beer. The area is posted off-limits after dark. A check showed they were drinking in that area. Marijuana paraphernalia were also found. The operator of the vehicle was summonsed for those items. All three subjects were intoxicated and unable to drive. They were given a ride to Bethel and released.

At 9:12 a.m. the Oxford County Sheriff's Department requested police go to Park Street for a possible unattended death. When police arrived, two persons had started CPR. The female subject was transported to Stephens Memorial Hospital.

Saturday, Sept. 16

At 12:30 a.m. police observed a window slightly open at the Java House. Unable to contact a responsible party, police entered and checked the building, but found no one inside. It was unknown if the window had been left open or if it was a break-in. Police left a business card requesting to be called. At 6 a.m. the owner called and said there had been a burglary and \$10 in change had been taken.

At 1:34 a.m. Sarah Hebert, 21, of Bethel was stopped on Church Street after striking a traffic island and crossing the center line. She failed all sobriety tests and was placed under arrest for OUI.

At 4:04 a.m. Stephen Polli, 33, of Locke Mills was stopped on Route 26 and charged with OUI.

This report highlights points of interest from the Bethel Police Department log, but does not include all reports of police activity. To reach the Bethel Police Department, call 911 in emergency situations, 824-3437 in non-emergencies. An answering machine takes calls when an officer is not in the office.

SUN-JOURNAL Sunday

784-3555 or 1 800 482-0753

Rotary Club notes:

The Bethel Rotary Club received a Certificate of Appreciation this week from Town Manager Madeleine Henley on behalf of the citizens of Bethel and the Board of Selectmen in recognition of service to the community. In the letter accompanying the certificate, Ms. Henley extended gratitude for the club's continual support in the community and specifically related to their most recent project -- the restoration and placement of the historical horse water trough on the Bethel Common.

Weekly meeting programs included Leslie Rowe of the White Mountain National Forest, who showed slides and spoke of the approximately 780,000 acres and its habitat and wildlife management.

Dr. Stanley Howe, director of Bethel Historical Society and chairman of the Bicentennial Committee, shared updated information and plans for Bethel's Bicentennial celebration in 1996; Linda Varrell, the club's international services director (also serving on the district's International Services Committee) presented a program on Rotary International's Essex (stu-

dent exchange programs), their "Friends Forever" program (a Northern Ireland exchange with teenagers) and encouraged the club members to get involved with the exchange programs. She invited club members to attend programs and a potluck luncheon Sept. 9th and 10th at the Sunday River Inn for the district's current exchange students. Jonathan Smith and six other members of the Mahosuc Music Makers spoke of their community group, which began in June of 1994, and entertained the club to a few musical pieces with a brass ensemble; and Lillian Conant, currently teaching a new "Hospitality" class at Telstar High School, who informed the club of the new program and shared her exciting ideas and plans for the program's future.

At the monthly Board of Directors' meeting, results of the club's participation in Mollycodd Day were discussed, new membership proposals were presented, the final draft of the club's 1995-96 budget was presented and approved, and plans were made for the District Governor's visit and club social on Oct. 2 and 3.

COUNTY G.O.P. MEETS

State Sen. W. John Hathaway (R-Kennebunkport) at the September meeting of the Oxford County Committee urged support of the presidential candidacy of Gov. Pete Wilson of California.

Sen. Hathaway listed among his reasons for supporting the Californian was that the nation's largest state was essential to winning the presidency. He also asserted that Wilson had been a consistent opponent of higher taxes and had cut spending in California by one-third during his tenure as governor.

Following a bountiful supper, served at the Stoneham Congregational Church by the Daughters of Union Veterans of the Civil War, a brief business meeting was conducted by Oxford County chairman Stan Howe of Bethel, who praised the work of Eleanor Nelson, Stoneham GOP town chair in arranging the meeting.

Howe reminded those present of the joint picnic with Androscoggin County Republicans to be held on Sept. 23 in Oxford at the home of Ted and Eleanor Heidrich beginning at noon with a wide variety of

activities planned. Anyone wishing tickets (\$10 each and \$25 for a family) should call John Underwood (539-4059) or Becky Kendall (824-3196).

In other business, the Rev. Norman Rust of Waterford was unanimously elected to fill the male vice chairman's slot left vacant by the death of the late Heywood Sawyer of Greenwood. Becky Kendall of Bethel asked for volunteers to man the booth at Fryeburg Fair. Carl Hansen, state committeeman from Oxford County, reported on the State Committee meeting last Saturday, where a presidential primary was approved. He also provided further details of a presidential straw poll to be held in Bangor on Nov. 5.

Chairman Howe announced that the next meeting would be held on Oct. 10 in Bryant Pond, hosted by the Woodstock Town Republican Committee at Franklin Grange on Route 26 with a 6:30 supper served by the Grange (\$5 per person). A representative of the Phil Gramm presidential campaign is expected to be present.

Danny

Continued from page 1

DANNY ZINCHUK

Ripken had a little luck, too. His wife had their second child on a day when there were no baseball games scheduled.

Danny's streak is even more admirable considering the fact that he plays sports -- soccer, basketball, and baseball -- throughout the school year. He's never had broken bones or sprains, or even stitches.

Perhaps the most important quality Danny shares with Cal Ripken is his enjoyment of what he does.

"He truly loves school. He's never woke up and said, 'I don't want to go to school,'" said Robin Zinchuk, Danny's mother.

What does he think of Ripken's accomplishment?

"I think he did pretty well," said Danny.

Andover

by
Karen McKay

Jean Dowling, CNM of Swift River Health, will give a talk on Menopause on Thursday, Sept. 21, at 6:30 p.m. in the Andover Public Library meeting room. This talk is sponsored by the Menopause Self Help Group which meets at the library on the last Thursday of every month at 6:30 p.m. For more information please contact Geri Gaudet at 392-1261. Everyone is welcome to attend.

Collect and contribute those returnable cans and bottles to the Andover Elementary School sixth-grade class on Saturday, Sept. 23, during their fundraiser bottle drive.

The Andover Historical Society will host an open house on Sunday, Oct. 1, from 1-4 p.m. in the society building. The theme will be "Businesses-Past and Present"; it will include all area manufacturing, stores, hotels and services. Anyone with any items, cards, or pictures of interest to share and display during the open house should contact any society member or Bev Swan at 392-3742, Trudy Akers at 392-3157, Norma Farrington at 392-2652, Betsy Fisher at 392-3506, Betty

Moore at 392-1381 or Eda Perkins at 392-4401. Video interviews of local residents will be shown. The society will also be selling their placemats, calendars and stationery. Refreshments will be served.

The 13th Annual Toad Contest was held at Andover Elementary School recently. This year's winning toad was entered by fifth-grader Freddy Bailey, weighing in at 142 grams. Classmate Craig Angevine's toad was second at 127 grams. Kindergarten Brianna Bailey's third-place entry weighed 123 grams. The largest toads in the other classes were caught by: first grade, Samantha Blood (76 grams); second grade, Steven Andexler (42 grams); third grade, Clayton Smith (118 grams); fourth grade, Lindsey Farrington (58 grams); and sixth grade, Ben Sabin (105 grams).

Get well wishes are extended to Hal Frazier.

Mr. and Mrs. Lester White, Mr. and Mrs. Freeman Farrington, Mr. and Mrs. David White, Mr. Danny White and Mrs. Grace Simmons all traveled to Prince Edward Island recently to attend a family funeral.

Mrs. Alys Parsons has now returned home after spending the summer months at her residence at Middle Dam on Richardson Lake.

Sympathy is extended to the Fyrborg families for the death of Clay, son of Roland and Judy of East Andover.

Sympathy is extended to the Cary family in the death of their mother, Hazel Cary.

Sympathy is also extended to Harold and Vi Clukey and family in the death of their daughter Terry.

Judith Grover Tent 17 D.U.V. met on Monday, Sept. 11, at the Grange Hall with 10 members present. Helvi Cary filled in as senior vice president, Debbie Millett as junior vice president, and Sally Sawyer as guide. Sally Sawyer's reception will be Oct. 22, department officers are to wear gowns. Reported on the sick list were Alice Wardwell, Ruth Dunham and Verna Swan, who broke her hip and is at Ledgeview Nursing Home. Thirty calls were reported. Tom Watt books were passed around. Kathleen McAllister received the mystery box. The next meeting, Oct. 9, will be a joint inspection with Norway and Stoneham tents at Bryant Pond; there will be a 6 p.m. supper. A thank-you note from Eleanor Pugliese was read. Sympathy was extended to Michelle and Helvi Cary. A tasting party was held. Larry Billings had Arlene MacKillop do a portrait of him to celebrate

his 15th year as curator of the Woodstock Historical Society. He was very pleased with it. Arlene will do other portraits for a modest fee. At the annual society meeting, the following officers were elected: president, Mary Billings; vice president, Helvi Cary; secretary, Kathleen Bean; treasurer, Paul Billings; new trustee, Evelyn Bean; chairman of the Board of Trustees, Annella Burnham; vice chairman, Francis Brooks; curator, Larry Billings; assistant curator, Louisa Noyes; registrar, Kathleen McAllister. Committee reports were given and accepted. Fund raising is going well. A film on various historical subjects was presented. Thanks to all who watched the museum this summer.

Callers at Mr. and Mrs. Harris Hathaway's this past week have been Mr. and Mrs. Douglas Jordan and Ashley, Mr. and Mrs. Reynold Jordan and Debbie Millett.

Things given to the historical museum lately are Neil Olson's "Trapline Adventure Stories"; curator Larry Billings gave a book, "The Oxford Hills," which includes Woodstock. He also donated a volume on the White House.

Leatrice and John Chase called on her mother, Beatrice Farnum, Wednesday evening.

Songo Pond

by
Alice Kimball

Suddenly the feel of fall is in the air and that makes some of us feel it in our bones.

Happy Birthday, Phyllis! -- a bit late by the time this comes out in print.

Saturday afternoon, Mrs. Eva Kimball Barker of Norway was honored at a party celebrating her 85th birthday.

Mrs. Barbara Grandin, who has been visiting her mother, Mrs. Ethel Herr, has gone to visit her sister in New Hampshire before returning to her home in Florida.

Mr. and Mrs. Bob Eichel and her mother, Mrs. Millie Wentzell, went to Five Islands Wednesday and enjoyed the boat ride and a lobster cookout with the Erland Wentzells.

Three Telstar students were seriously hurt one morning this week when the driver lost control of his car on one of the curves along Songo Pond on Route 5.

On their way home one evening this week, on the Hunt's Corner road, Phyllis and Bill Bancroft were surprised by a big old bear beside the road. Shortly after, they met a

couple of young people walking without a light. Phyllis turned around and took them to their destination, again seeing the bear or another one. Enough excitement for one evening.

Sunday callers here were Mr. and Mrs. Craig Turner of Otisfield. On Monday, two cousins, Mrs. Crystal Sprague of Westfield and Mrs. Maida Grass of Mars Hill, visited with me. Later I went to Hanover and Herb Adams drove me to Rumford for my blood test.

Nothing weakens the truth more than stretching it. --L. Stamper--

Upton

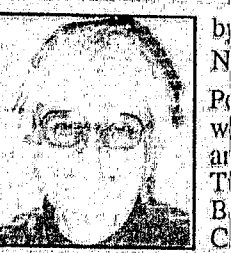

by
Arlene Bernier

A big thank you to neighbor and friend Margaret Mitchell for filling in for me last week.

This is the stuffed-drawer time of year. Too soon to put away summer clothes but some heavier ones are coming out of mothballs or storage as the weather cools.

To all my friends, neighbors and family who sent cards, flowers and other well wishers during and following my hospital vacation, I express a warm thank you.

Want to

East Bethel

by Nancy Mercer
Peggy Coolidge went with Mr. and Mrs. Roger Twitchell to the Bethel Senior Citizens' meet-

ing at the Locke Mills Town Hall on Sept. 13. There are now over 170 members in the group.

John Nordahl, son of Jack and Lucy, visited from Orlando, Fla., on Sept. 4 to 9. They went to a Sea Dogs' game in Portland while John was here. The Dogs lost the game, but they had a good time.

Rudi Honkala went up to the Lion's Head on Mt. Washington on the north face of Tuckerman's Ravine on Sept. 12. He and Fred Miland's brother and five other close friends of Prof. Fred Miland went up to spread Fred's ashes.

Arlene Harrington and Irene Onofrio from Milan, N.H., were in Skowhegan to visit Arlene's sister, Kaye Devona, from Sept. 6 to 9.

Sonny and Bettyann Hastings have a new granddaughter, Katheryn, born to Ellen Franklin in Texas.

Florence Hastings has been visiting a granddaughter in Massachusetts and another granddaughter in Connecticut the past two weeks.

Bethel

Marilyn Parker, Devon, Conn., is visiting relatives and friends in the area.

Phyllis Dickey, Caroline Merrill, and Ola-Mae Wheaton are visiting Ola-Mae's daughter and family at East Andover, Mass.

(Items for the Bethel town column are always welcomed. Please include your name and telephone number.)

Greenwood City

by Colista Morgan
Again the seasons are changing. The evening sunsets are more vivid, the sky more beautiful

and the temperatures are dropping as days go by. Gunners are thinking about oiling their equipment, some are hurriedly tying the woodshed, bracing for the cold winter.

The fall season, I like. Perhaps, because life is simple, yet most rewarding.

In walking the perimeter of the fields, you can see rambling old stone walls that you haven't noticed since springtime, the old maple trees stand proud, garbed in red and yellows, the white birch trees seem even cleaner and more handsome.

A good time to walk is early morning after a frost, then the sound of frozen hay and leaves will crack and rumble beneath your feet. You notice that the deer have left a few apples on the trees but have harvested the garden of beans and tomatoes while the apples hang suspended now in a rather decrepit condition.

Other rewards can be reaped in the fall. There are flocks of geese that fly overhead or rest on the pond. Then early in the evening on the same day a moose may saunter to the edge of the pond for a taste of weeds or a drink of water.

Fall is a time when many things repose for a time, but is a season when man should think positive of nature and be appreciative of the serenity it affords.

With a wonderful summer behind us and a long, cold winter ahead, this fall period of tranquility is a

welcome respite between the two.
This week I have been out several times: one day at Books-n-Things, one day at the dentist, another day to visit my cousin, Lettie, and to Ledgewood to see a few friends.

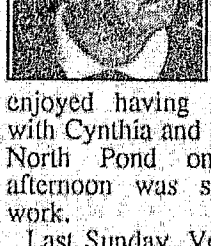

I had a nephew, Alan French, visit me. He came on his motorcycle from Oregon. Another surprise was a telephone call from Helen Vamer Judkins, with happy news.

At the farm "Hollie the Collie" had an accident to one leg so has been unable to get around.

Last Sunday Ann and I went to church then to the farm. We missed David and family. To sit at a table on Sunday with only four is very unusual at a Sunday dinner at the farm.

There have been many ducks all this week in the pond. The water is very low but they don't mind.

West Paris

by Miriam Inman
The "Crafty Group," namely Beverly Stevens, June Demarest, Peg Perham and Miriam Inman

enjoyed having a potluck dinner with Cynthia and Sayward Lamb on North Pond on Tuesday. The afternoon was spent doing craft work.

Last Sunday, Vernon and Miriam Inman were in North Conway, N.H., for supper at daughter Vicky Sanborn's and family.

There will be a dance at the Agnes Gray gymnasium on Friday, Sept. 22, from 8:30 to 11:30 p.m. The Parisians will furnish the music.

Forward Fellowship will meet on Monday, Sept. 25, at the home of Nick and Marta Clements. There will be a potluck supper prior to the business meeting.

South Woodstock

by Andrea Wing
What nice weather we've been having, even have had a little rain, which we need

desperately. The fall is one of the best seasons.

Sunday night a double birthday party was held for Rick and Doug Wing. About 16 persons attended. A cook-in was held instead of a cook-out because of the weather. Doug turned 15 and is a sophomore at Oxford Hills High School.

Sunday afternoon I attended a baby shower for Stacy Tilley. The shower was held at Beverly Stevens' home. Stacy received many nice gifts that she will be able to use soon, as her expectant date is the last of September.

A nice looking blue wagon was taken from Harry Hutchinson to go to the fair this week. I think it is a homestead wagon and must have taken a lot of work. Many persons are attending the many fairs in the area this summer and fall.

I saw a large mobile home go up Andrews Road one day this past week. I have learned that it belongs to Larry and Pam Poland and family. I'm sure they'll enjoy it. They have four boys.

Larry Billings, curator, Woodstock Historical Society reports that the Society members are always trying to learn more about history in general. They hope visitors and Woodstock citizens alike enjoyed the museum. Many visited. Curator Larry Billings gave a book on Woodstock and another on the White House to the Society recently.

The road work in this area is com-

ing along real good. Traffic isn't fixed up much and the new surface is a much needed improvement.

I don't have much news this week. I haven't heard from many in this area what has been happening. Hopefully they'll catch me up for next time.

Quote of the Week: "I've learned middle age is when you make each day count. Old Age is when you ask for a recount."

North Woodstock

by Sue Silver
Visitors this week to Lee Billings have included Fay Roberts, Caroline Brown,

Clyde Knights, Pete Rosenberg, and Gerald Gammon. He was glad to see everyone.

Tammy Billings has started her fall semester at UMA.

Shane Billings seems to be adjusting to college life just fine and is enjoying Hartford University.

Linda Tyler was over for a visit with Lee and Emma Billings on Tuesday.

Herschel and Betty Abbott watched a fox for a while one evening from their front porch.

Louise Chapman, Bridget Billings and Joelle Silver went to Bethel to the movies on Sunday.

Congratulations to Jason Billings. He came in fourth in the Telstar cross-country meet last week.

Rob and Norma Davis and Mr. and Mrs. Tony Hebert enjoyed a fall foliage ride on Saturday.

The Silvers have been busy getting firewood ready for winter. Robert and Ruby Silver paid a visit to us on Sunday evening. Randy Winslow and Tony Silver

have been practicing their bow shooting for the upcoming archery season.

North Newry

by Gil Seeley
The Newry Church Ladies Circle met at Louise Telley's residence. The meeting was

opened by president Sylvia Wight. The secretary-treasurer, Freda Robertson, read the notes of the last meeting and brought the finances up to date. Dues were paid. There was some discussion about a possible yard sale or food sale in the future. There was no unfinished business. The next meeting will be Oct. 2 at Freda's, 12:30 p.m. Coffee and ice cream and cake were enjoyed. Gil Seeley read "The value of a Smile."

What is the value of a smile? Who can tell? Like the sunshine, it is hard to define. For though it costs the giver nothing, it very well means all the difference to the receiver between black despair and cheerfulness and hope. A kind word, given with a friendly smile is beyond price to the sinner who is repenting, and cheers him to struggle back to the path of right and duty which he has strayed in pursuit of pleasure and folly. While to the sorrowful, the desolate and the forsaken, it has the happiest effect. Only comparable to that of the sun in dissipating the thick cloud and fog which sometimes entirely obscures and darkens a fair landscape. Smile... it does not cost you anything. A simple smile is a token of warmth within, it shows the kind heart of a friend, a husband, a loving child, and affectionate

East Stoneham

Continued from page 8

On Tuesday night, Sept. 12, the Oxford County Republicans met at the Congregational Church in East Stoneham with a social hour at 6 p.m., supper at 7 p.m. and meeting after. The supper was hosted by the local Daughters of Union Veterans of the Civil War and was told it was a good one.

The meeting was opened by Oxford County Republican chairman, Stan Howe. The secretary and treasurer were absent. During the meeting the Rev. Norman Rust was nominated and voted on to be the new vice chair, replacing the late Hoywood Sawyer.

Several speakers were introduced, including Sen. Norm Ferguson and Sen. W. John Hathaway.

Republican Fun Day will be Saturday, Sept. 23, at the farm of Ted and Eleanor Heidrich in Oxford, beginning at noon. The meeting was adjourned and all agreed it was a good gathering, supper and meeting.

Sorry that this news is all so long but there was a lot going on this week.

This morning we had a chat with Jim Morrison, who is out of the hospital after eight weeks there. He still

has to go back every day for whirlpool and therapy treatment for his foot. Welcome home, Jim! He will be out of work for quite some time, too.

Sept. 16 was the last East Stoneham Church Thrift and Bake Sale until next spring. Many thanks go out to all who contributed to these two projects. Now, please do not bring any more donations of clothing, etc., until next spring. Thanks again.

Locke Mills

by Lorraine Mills

There is an old saying that "Mama never told me there would be days like this." No one ever told me there would be weeks like this. As I've said before, my hat is off to those who have to work outside the home. I cannot imagine how anyone juggles work, children, spouse, house or whatever. For three weeks now I have managed only one day a week home; forget evenings, what are they? They are for meetings, what else! I will spare you most of my

goings and comings but one stands out. One day this month six women from Praise Assembly of God left Pastor Rainville's house at quarter to seven bound for Chester, N.H. Dot Chopping's van contained Dot, Denise Rainville, Mickey Huston, and myself. Wanda Hutchinson and Crystal Lake were in Wanda's car, as Wanda and I planned to return home that evening while the other four continued on to Nashua, N.H., to attend Women's Retreat at the Sheraton-Tara. Now, as you faithful readers of my column know, I often get lost. But I wasn't driving, so how did all six of us end up in Massachusetts? I can only assume that it must be catching! Two and one-half hours beyond our estimated travel time we arrived in Derry, N.H., where we met youth pastor John Shorey and wife Shawnette at the Derry Assembly of God church. The Shoreys had decided that Derry was easier to find than Chester (via a frantic phone call from us). They took us for a tour of their Christian Education building under construction and their present C.E. building a mile away, showing us the puppets, stages, band instruments and all the paraphernalia that goes with offering a program for children called "super church," which we are interested in undertaking for our children. We were then escorted to Chester where we got acquainted with the puppets they have in their home and their dog Bridget, a fuzzy little mutt who is definitely more of the size I ought to have instead of what I do have. Shawnette also showed us where she makes her puppets and presented us with a gift of a grandmotherly looking puppet we immediately called "Nana," be-

cause Crystal said she looked just like her "Nana."

I could not help but be a little amused at the idea of the children being afraid of Ethel Bisbee's picture. One would think that a generation raised up on Ninja Turtles and Power Rangers and those weird cartoon characters presently gaining the Saturday morning children's shows that they could handle about any visual image around. Maybe if someone could add antennas or a space helmet...or make a frame to look like a TV screen...

Sunday School will begin Oct. 8 at the Locke Mills Union Church.

There is a blue flat casserole cover left over from one of the dinners put on in the past couple years. If you are missing one, please get in touch with Denise Swan.

The Greenwood Fire Department Auxiliary will resume its regular schedule at 6:30 p.m. at the Fire Station on Monday, Sept. 25.

The Greenwood Fire Department Auxiliary has been busy. Monday evening we served a ham dinner with mashed potato, peas, squash, cole slaw, raisin and pineapple sauces, rolls, and apple crisp for dessert to 51 members of the Western Maine Firemen's Association. The workers at the station were Carolee Roberts, Denise Swan, Maggie Ring, Sally Melville, Mary Stone, Lorraine Mills, Veronica Penley and Ruth Pilling. There were others who cooked and prepared vegetables in their homes. Then Wednesday noon we served 81 of the Bethel Senior Citizens at a dinner that featured salads and casseroles. Those present there were Denise Swan, Maggie Ring, Lorraine Mills, Veronica Penley, Sally Melville and Mary Stone. Because we needed more help, Willie

Coolidge and his sister "Red" Merrill were kind enough to lend us a hand. I wish I could list all the many, many people who donated casseroles, salads, milk, margarine, dressings, etc. But even if I could remember them all I would not have space enough to write all their names. The townspeople have always been more than willing to help out. Greenwood has every right to be very proud of the citizens who live here. You are appreciated, folks. The combined total made on the two fund-raisers was around \$730.

Denise Swan tells me her granddaughter Naomi, daughter of Melanie and Duffy Ellsworth, is one year old today, Friday, Sept. 15. She also said that son Brent and wife Barbara, from Chicland, Fla., were here for a couple weeks visiting her and Cubby and Barbara's parents in Moultonboro, N.H.

High Street

West Paris by Russell Yates. Howdy, folks. What a beautiful morning this 11th day of September. My typewriter went on the blink last week, so I didn't get to send any news, but this morning I'm using sister Peggy's typewriter and hoping to send news from here. Last Monday evening we attended Franklin Grange in Bryant Pond. A delicious supper preceded the meeting to get us all in a good mood. This meeting was the annual installation of officers for Franklin and West Paris Granges.

Myrna and Whitey left for their winter home in Arizona on Sept. 15. Kaye and Otto Blossy will soon be leaving our brother's place on Sunday River and returning to their home in Eustis, Fla. They will visit friends in New York on their way home.

After our company left, we visited Lewis and Myrtle Bisbee in Mechanic Falls, to leave some fudge that will eventually go to the Springfield Fair.

John Howe Night will be celebrated at the Locke Mills Legion Hall on Sept. 23 with a 5:30 p.m. potluck supper, also lots of good music and lots of dancing. Admission is free, but the ladies are all asked to make their favorite pot and bring it to help with the supper. There should be lots of good food and lots of fun for everyone from young to old. All friends, enemies and relatives are being invited to attend. Let's all go and really make it worthwhile.

The Locke Mills Historical Society will have their dance at the Town Hall on Sept. 30, instead of the usual fourth Saturday.

Francis Brooks of Bryant Pond was a caller at the Lovejoy home one afternoon last week.

The Lovejoy family and the McKeen families from High Street attended the wedding of Christopher Whittemore and Darcy Hilton at Poland Spring last Saturday. The reception was also held at the Poland Spring House.

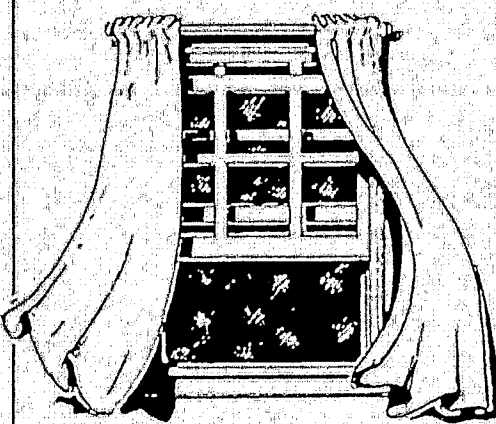

Hope Lovejoy joined the Haverinen family from South Paris on Sunday and all attended a movie in Lewiston.

The West Paris schools are still accepting Campbell Soup labels.

NOTES FROM

Adult Education

The SAD44 Adult Education program will sponsor several offerings starting in late September, including a parenting class at Crescent Park School, and an exciting weekend session on Underground Herbal Medicine, as well as the Job Opportunity Day set for Saturday, Sept. 30.

The Parenting class will be led by Lorrie Hoch and will use the nationally-renowned Systematic Training for Effective Parenting materials, including such topics as communication, discipline, and developmental stages. The class is designed for parents of children ages 4-12 and will meet on Monday nights from 7 to 9, starting on Sept. 25. The fee is \$20 per family.

The Job Opportunity Day will be held on Saturday, Sept. 30, at Telstar High School from 9:30 a.m. to noon. This exciting event is the result of collaboration by several organizations and agencies, including SAD44 Adult Education, the Regional Partnership, the Bethel Area Chamber of Commerce, NOVA, Bethel Rotary Club, the Maine Job Service, and Workforce Development Center. It is designed to bring local employers and those seeking employment or a career change together. The Maine Job Service will conduct registrations; employers will have representatives to describe their work places, mini-workshops will be held on job-seeking topics, videos will be provided for children of those attending, and there will be door prizes.

Participating employers include Sunday River Ski Resort, Ski Mt. Abram, SAD44, LeClerc Management/McDonald's, P.H. Chadbourne, Newton & Tebbels, Kendall Dowel, Bethel Inn and Country Club, Bethel Furniture Stock, and the Bethel Area Health Center. Other employers are welcome to participate and are asked to call the Adult Education office to arrange for table space.

To register for a course or program, contact the Adult Education office at Telstar High School in Bethel, 814-2780.

Telstar sports

Varsity Soccer

Telstar 1, Mt. Abram 1

Sept. 12--The Rebels played to a 1-1 tie in a home game. After Mt. Abram took the lead halfway through the second half, Tony Buker, returning to action for the first time since an ankle injury, netted the tying goal with less than three minutes left in regulation time. Despite dominating play late in the game, Telstar couldn't come up with another score. Adam Newell was again sharp in the cage. Jason Berry was tenacious from his stopper position, and Jason Mullen played a great midfield.

Telstar 2, Winthrop 1

Sept. 14--A goal by Keith Stevens in the second overtime gave the Rebels a victory over the Winthrop Ramblers. Telstar's other goal was scored by Ben Fogg. The Rebels outshot Winthrop, 21-7.

Telstar 3, Lisbon 2

Sept. 16--Cory Koch, Keith Stevens, and Tony Buker scored goals as Telstar edged Lisbon. Buker and Fogg also assisted on goals. The Rebels had 28 shots to Lisbon's 4.

Varsity Field Hockey

Telstar 6, Lisbon, 1

Sept. 13--Beth Howe scored a hat trick, Sarah Richardson two goals and Katy Mullen one in a victory over Lisbon. Richardson had an assist as well, while Michelle McInnis had two assists. Goalie Jessie Wight had four saves to Lisbon's 34, as the Rebels outshot the opposition 40 to 5. Telstar got strong defensive performances from Hana Seames and Monica Rolfe.

Telstar 5, Livermore Falls 1

Sept. 15--Two goals each by Beth Howe and Sarah Richardson and a single goal by Liza Pyberg accounted for Telstar's scoring as the Rebels defeated Livermore Falls. Telstar had 60 shots on goal to Livermore's 12, while goalie Jessie Wight had 11 saves. Forward line support came from Katy Mullen, Megan Meisner, and Kelli Szente, and the halfbacks passed well to the line.

J.V. Field Hockey

Telstar 2, Livermore Falls 1

Sept. 15--Heather Best and Angie Buker scored goals in a win over Livermore Falls. They were assisted by Erin Osgood and Stacey Bachelder, respectively. Telstar goalie Malinda Gilbert and Naomi Sanford combined for 12 saves. The Rebels posted 25 shots on goal to Livermore's 13. Strong defensive support came from Erin Riley and Jen Stevens.

Middle School Varsity Field Hockey

Telstar 2, Mountain Valley 0

Sept. 10--Heather Roderick scored both Telstar goals, with an assist from Heather Lowell. Charles Lydia Mills and Megan Paquette combined for four saves. Outstanding defensive plays were made by Becky LaVallee, Sarah Rackliffe, and Sarah Howe.

SEE ANSWERS - Back Page

RANDY JUDKINS AT A.E.S.
Randy Judkins is a visual, verbal and character comedian. From 1975 to the present, Judkins, a native Mainer, has toured his one-man vaudeville variety show in over 20 U.S. states, Canada and Europe. His show is a vaudevillian's blend of eccentric characters, downeast humor, inexplicable magic and expert juggling. Excellent variety entertainment for everyone, everywhere. On Friday, Sept. 22, at 7 p.m., he will be performing at the Andover Elementary School. This performance is being sponsored by the Mahoosuc Arts Council with the support of the Maine Arts Commission. Ticket prices are \$5 for adults and \$3 for students and will be available at the door or can be reserved by calling 824-3575. Seating is limited.

WORKSHOP FOR MEN

The WeirMerrill Learning Laboratories will be offering Men At Work V, an intense personal growth workshop designed to help men develop an in-depth understanding of themselves and others, at the NTL Institute Founders House Sept. 29-Oct. 7. The workshop trainers will be offering Bethel scholarships in response to their and NTL Institute's connection with the Bethel community. The \$1,995 tuition will be reduced to \$300 for men living in the Bethel area attending the Men At Work V workshop. Men who choose to attend this workshop are encouraged to live on the NTL campus and will be required to be on-site for all meals.

The theme of Men At Work V is self-differentiation and self-empowerment in the lives of men. The workshop helps men reflect on the developmental stages men encounter and the social and political realities they must face as they develop themselves and try to shape their world. The workshop will explore the requirements, options and strategies for personal change for men, enabling the opening of doors which have been shut or left unopened over the years. To receive further information, please call the NTL Institute Bethel office, telephone number 824-2151, or Michael Merrill, telephone number 1-207-372-8972.

ARTS COUNCIL PHONATHON

The Annual Phonathon for the Mahoosuc Arts Council will take place on the evenings of Sept. 25 and 26. This year's goal is \$7,500 and is the organization's major fundraising event. Volunteers will be calling individuals to ask for gifts which will help the council to continue bringing programs in the arts to the SAD44 schools and communities. This year's programming will include 14 community shows, 17 in-school assemblies and an artist-in-residence project for Telstar Middle School students. Local support from community members of Andover, Greenwood, Newry, Woodstock and Bethel is vital to the existence of the Council. It also increases opportunities of receiving funding from foundations and corporations who are looking to sponsor the efforts of community-based organizations such as the Mahoosuc Arts Council.

Barbara L. Olson

On her Birthday Sept. 26, 1995
Passed Away March 30, 1995
Gone but not forgotten.
Greatly missed by her daughter Kelly and
granddaughters Gena, Taleah and Natasha.

Many thanks to our children and their families for a wonderful 50th Wedding Anniversary Celebration. To all our friends, neighbors and family members, we thank you.

Irving and Hilda

Card of Thanks
A Heartfelt Thanks from the

**A Heartfelt Thanks from the
family of Terry A Johnson**

We would like to take this opportunity to thank all of our family and friends for helping us through our loss.

We want to thank everyone, family and friends, who made Hunter's passing bearable.

Marc & Leslie for all the help in organizing the service for him. Lisa Fox, Robin Fraser, Julie Daye along with Leslie and all the others who worked to have refreshments available before and after the service.

"The Bethel Singers" for the fine talent that they were willing to share and all those who took part in the service and made it a lovely tribute to Hunter & Otta.

Hunter will long be remembered and so will all those who helped to lay him to rest.

Dog & Beverly Chase

We will be CLOSED this Friday, Sept. 22
See you MONDAY 6:30 am Sept. 25th
